## REPORT TO MAYOR AND COUNCIL

May 21, 2018

### ADMINISTRATION – *Marsha Hall*

#### *Legislation*

##### Ord. 18-26 Amend Park Rules to Authorize the Administrator to Permit Food Trucks to be Present at City-sponsored Events in City Parks

Currently our Zoning Code only permits food trucks as a Conditional Use in the Community Commercial District (see Retail Sales – Mobile Vendors). Both the recreation center and community affairs have expressed an interest in allowing food trucks during certain City-sponsored events. Last year Council approved by motion permitting food trucks, under the discretion of the Administrator, during the Farmers Market season. None of the properties potentially used (Groveport Park, Heritage Park, etc.) reside in a Community Commercial district. We are requesting that Council adopt legislation to amend the Parks Rules to allow food trucks at City-sponsored events in City parks.

##### Ord. 18-027 Updating the List of Classified and Unclassified Employees

This legislation updates the list of unclassified employees, as defined in the City Charter, to include the Personnel Director, Engineer, Director of Transportation, and interns.

##### Ord. 18-029 Licensing Agreement with Orchard Grove Apartment Complex LLC

The sign for this apartment complex was damaged and had to be removed during the Hendron Road project. At that point it was determined that the sign sat partially in the right-of-way. They would like for the new sign to be installed in the same location as the previous sign. The location is not a safety hazard.
