ADMINISTRATION – *Marsha Hall*

Legislation

19-001 Amend Ord. 2011-008 to Restrict Senior Center Permit Parking (3rd Reading)

This legislation will revise the current senior center permit parking from a 24/7 restriction to the following hours: Monday through Friday 9:00am to 5:00pm and Saturday 3:00pm to 8:00pm. At the same time that we are providing “valet” service from the center to the parking lot, there are hours which the center does not have activities. This ordinance will allow recreation center parking to occur during those times.

19-002 Amend Aquatics Center Fees (3rd Reading)

This legislation will amend the current membership pass and daily pass rates. While we have added specific types of discounts in the past, the actual rate originally established have never been amended.

Miscellaneous

Personnel Policy Modifications

A small committee made up of the Law Director, HR Director, Asst. Administrator, Recreation Director and me have reviewed the Personnel Policy and updated it as needed. This has been a lengthy process, but we are now at the final stage of reviewing for typos. The red-lined version will be brought to you as a first reading at your Feb. 25 Council meeting.
