Kids Night – DIY Silly Squishy Fun

### Cards for Senior's

Staff member Kristin Figliola collaborated with Groveport and Glendening School Counselor and Kindness Club Advisor to make "Have a nice Day" cards for seniors. Town Hall provided the supplies to the school to make these cards. Students from Groveport Elementary and Glendening Elementary School Kindness Club, Lady Bugs, and Crickets made 145 cards that will be given to homebound senior citizens when they receive their Meals on Wheels. Kristin's contact with a board member of LifeCare Alliance is helping her distribute these cards.

School staff reported this was a learning experience for the kids to learn more about senior citizens, meals on wheels and making someone feel good inside just as the kids felt making the cards for the seniors.
