

CITY OF GROVEPORT

REPORT TO MAYOR AND COUNCIL

February 25, 2019

ADMINISTRATION – *Marsha Hall*

Legislation

Ord. 19-006 and Ord. 19-008 Amendments to the Code of Personnel Practices and Procedures and Section 143

A small committee made up of the Law Director, HR Director, Asst. Administrator, Recreation Director and I have reviewed the Personnel Policy and Section 143, and updated it as needed. The red-lined version and accompanying summary that explains the changes are included with the legislation.

Ord. 19-005 Amendment of Stormwater Regulations

This legislation includes both clarifications and updates to our stormwater regulations based on review by both the City Engineer and the City's stormwater consultant. Staff requests three readings as emergency at tonight's meeting.

Miscellaneous

Schmidt's Sausage Haus Food Truck

I finalized arrangements with the Schmidt group after the last Council meeting. They will have their food truck in front of Ace Hardware on Tuesdays from 4pm to 8pm and Wednesdays from 11am to 2pm beginning March 12, then throughout the Farmers Market season.

Transportation Driver Job Descriptions

The current job description title for transportation drivers are shown as 'Senior Transportation Driver'. Because of the new transportation program for various City department events, the title should be shown as 'Transportation Driver'. While the Law Director agrees that Council does not need to approve this change in title by ordinance, he does suggest that I bring it before Council.

Executive Session

Please consider going into executive session at tonight's meeting for the discussion of economic development.
