

Council Update – April 15

Community Affairs Department – Patty Storts, Director

Senior Prom

Our Department partnered with Groveport Madison Schools to offer a Senior Prom (over 60). It was very well attended with 70 in attendance.

Farmers Market

To date I have only received 4 registrations forms for the 2019 Famers Market. I will be meeting with Jeff Green to see what can be done to attract more vendors.

Upcoming Programs

Groveport Madison School District will be on Spring Break April 22 – 26. A program called Spring Break Fun Hour was created to give children an activity to do during their break. On April 22 and 23 Spring Cleaning will be the topic, we will be showing children how to reduce, reuse and recycle. On April 24 the topic will be Think, Create and Make Something Great. A craft will be made each day to go along with

the theme. On April 25 participants will spend some time at the AHA! (A Hands-on Adventure Children Museum) in Lancaster.

Arbor Day

Due to the fact the Groveport Madison will be on Spring Break the last week of April we will be doing Arbor Day on May 3. The theme of this year's Arbor Day is "old trees in Groveport". We will be going to Glendenning Elementary School this year at 10:30 am. This is the site where the oldest tree in Groveport stands. We will be planting a tree in their school yard, giving all the students pencils, t-shirts, certificates of participation and an apple. Following the morning program we will be going to Groveport Elementary and doing the program there also. That program will begin at 1:30 pm.

The Trees and Decorations Committee voted to plant a tree in "Memory of Jan Stoots". We will also be doing that on Arbor Day. Jan loved flowering trees so we will be purchasing a flowering tree and plant it in her memory at Blacklick Park at 12:30 pm. The committee would like to invite the Mayor, Council and any staff member who would like to attend. I will put out a reminder closer to the date.
