AN ORDINANCE ESTABLISHING CREDIT/DEBIT CARD CONVENIENCE FEES FOR PAYMENTS RECEIVED BY THE RECREATION AND COMMUNITY AFFAIRS DEPARTMENTS AND THE DECLARATION OF AN EMERGENCY

Sponsors: Hilbert

Finance Director Jason Carr stated that this is a fixed rate and this percentage only applies to the Recreation Department and Town Hall. The legislation for Utilities, Building & Zoning and Mayor's Court convenience fees has already been passed by Council and these three departments use a different credit card processing company. The Recreation Department and Town Hall credit/debit card transactions will all be a fixed 3% based on the amount of the transaction charge. The water bill transactions are larger because of the City's storm water charges. The different processors are compatible with the different software. Finance will monitor the credit/debit transaction fees monthly report for any losses and/or gains and come back to Council if any processing fees need adjusting.

Clerk of Council Ross read by title Ordinance No. 2020-031. A motion was made by Council Member Hutson, seconded by Council Member Cleary, to recommend approval to the City Council. The motion carried by the following vote:
