City Council
BJ King, City Administrator
March 8, 2021**

Administrative Items

- Live streaming Council meetings

We will be all set to begin livestreaming Council meetings on March 8th. The link to the livestream will be available on our website, on the page where meeting agendas are available. We are finalizing how to pause the livestream between the public hearing and regular council meeting. I look forward to implementing the livestream option for the public to view our Council meetings.

Attended Meetings and Events
