

Council Update – May 17, 2021

Community Affairs Department – Patty Storts, Director

Town Hall and KidSpace in-house program participants are gradually moving back up. With everything opening back up on June 2 our June programs are already planned and have 12 in-house programs scheduled. All July programming and schedules will go back to pre - 2020 on July 1. We will still offer videos online for some of our programs but our main goal is to get people back in person to our programs and activities.

Arbor Day

We had a beautiful day for Arbor Day on April 30. Comments have been made how the Crimson Red Maple Tree looks from the street.

New Podium at the Cemetery

The new granite permanent podium was delivered to the cemetery on May 6. It will be completely installed by Memorial Day. This beautiful piece weighs 2800 lbs.

Meetings Attended

July 4 meeting – April 30

Cemetery Committee – May 5

Trees and Decorations Committee – May 10
