Mayor Westcamp, Members of Council & Staff

- I am pleased to share that the Assistance to Firefighter Grant that we were awarded in 2020 has been amended to allow us to utilize unused funds to purchase and install a vehicle exhaust system for Fire Station 183.
- The Madison Township Fire Department is partnering with the American Red Cross to provide free smoke detectors. Once the details are finalized, we will provide residents information on how they can request the smoke detectors and schedule an appointment for installation.
