AN ORDINANCE AUTHORIZING THE ADMINISTRATOR TO CREATE THE DEPARTMENT OF TRANSPORTATION PURSUANT TO GROVEPORT CITY CHARTER SECTION 7.05 AND TO FURTHER ADD THE POSITION OF DIRECTOR OF TRANSPORTATION TO SAID NEWLY CREATED DEPARTMENT

Sponsors: Cleary

Council Member Cleary asked for clarification on the matter of businesses helping to fund the extended transportation program and available funding for vehicles. Administrator Hall stated Senator Stivers' office has contacted Finance Director Jeff Green to offer support and assistance in obtaining grants for vehicles. Those vehicles would not be available at the start of the program, therefore, the City will contract with a vendor who not only provides drivers but vehicles as well. The City has to have a program in operation to provide the number of riders and other information for any grant application. When Groveport is able to obtain the grants for vehicles, the contract with the vendor will be amended to provide drivers only. Council Member Hilbert asked Ms. Hall what type of vehicles were being considered for the program. Ms. Hall stated staff is looking into 12 to 18 passenger vehicles. The businesses are still gathering numbers of employees who would use the service. The program will start during the businesses' busy season. Staff will collect numbers during that time, and the quarter after the busy season, to gather information on how to adjust the program. Staff will look into adding or cutting back routes, discontinuing the program altogether and any particulars that may need addressed. The City has received such favorable response from the businesses, staff looks for the program to be successful.

Special Counsel Brian Zets requested Council to consider making a motion to suspend the rules as to the third reading of this Ordinance. Section 1191.09 of the Groveport Codified Ordinances states "The Final Plat will have two (2) readings of Council at such time the second Council meeting will be a public hearing. The City Council shall either approve or disapprove the application." Under this section there should only be two readings; Council does not need to declare it an emergency. If Council passes this Ordinance tonight, it will take effect in thirty (30) days. Mr. Zets advised that under Section 1191.09, Council should strongly consider waiving the third reading and adopting the legislation tonight.

Clerk of Council Ross read by title Ordinance No. 15-016. A motion was made by Council Member Hilbert, seconded by Council Member Dildine, to suspend the rules as to the three readings. The motion carried by the following vote:

AN ORDINANCE AMENDING ORDINANCE 14-036 (ADOPTED 9/8/2014) THE ESTABLISHMENT OF A GOLF COURSE FUND AND THE DECLARATION OF AN EMERGENCY

Sponsors: Cleary

Law Director Kevin Shannon advised Council the City had previously created the funds in Ordinance 14-036 and Ordinance 14-037 last year to have the City in compliance with the Ohio Auditor of State's office. The Auditor's office has requested that in the formation of these funds, that there be a commitment by Council that the funds will only be used for the purposes set forth in the Golf Course Department's and/or the Recreation/Aquatic Department's expenditures. The Auditor wants that language included in the legislation. Mr. Shannon not only included the commitment on the part of the City Council that "that is what will occur", but an order by the City Council, that "that shall occur", in the language text of Ordinance 15-018 and Ordinance 15-019, therefore bringing the City in compliance with the Auditor's office. Staff is asking for emergency legislation so the City can be in compliance with the Auditor's office immediately. Mr. Shannon requested Council to consider making a motion to suspend the rules as to the three readings and the effective date.

Clerk of Council Ross read by title Ordinance No. 15-018. A motion was made by Council Member Hilbert, seconded by Council Member Cleary, to suspend the rules as to the three readings and the effective date. The motion carried by the following vote:

A RESOLUTION AUTHORIZING THE ADMINISTRATOR TO EXECUTE A MASTER LEASE AGREEMENT WITH HUNTINGTON PUBLIC CAPITAL CORPORATION AND THE DECLARATION OF AN EMERGENCY

Sponsors: Hutson

Law Director Shannon informed Council the City currently has a Master Lease Agreement for equipment previously leased and the City has duly authorized the purchase of that equipment by waiving competitive bidding and purchasing off the state bid list. This is the same situation with the equipment the City is in the process of purchasing as duly authorized by Council prior to this legislation. In order to effectuate the purchase of that equipment, we have a lease purchase agreement. The City, dealing with Huntington, the City's banker, as it relates to these matters, is required to have the Master Lease Agreement. Huntington and Finance Director Jeff Green are requesting this legislation be enacted as an emergency so the City can have this equipment made available as soon as possible. In order to do that, the City needs to execute the lease schedules that are relevant to the purchases and to be clear that Groveport is entering into this agreement with Huntington National Bank. Huntington requires this of the City before any purchase or lease. Mr. Shannon requested Council to consider making a motion to suspend

the rules as to the three readings and the effective date.

Clerk of Council Ross read by title Resolution No. 15-001. A motion was made by Council Member Hilbert, seconded by Council Member Drury, to suspend the rules as to the three readings and the effective date. The motion carried by the following vote:
