VI. Proclamation

Mayor Lance Westcamp read the 2016 Fire Prevention Week Proclamation. The Proclamation was presented to Council Member Ed Dildine. Mr Dildine noted on Sunday, October 9, 2016, Station 182 had an open house celebrating Fire Prevention Week, bringing in the largest crowd the station has ever seen. The Madison Township Fire Department offers a temporary smoke alarm program. If a resident does not have a smoke alarm, the department installs one temporarily until it is replaced with a permanent smoke alarm.

XI. Reports**A. Mayor - Lance Westcamp**

Mayor Lance Westcamp thanked Council for representing him at the Groveport Madison vs. Canal Winchester high school football game on Friday night. The Groveport-Madison Cruisers brought the Ohio & Erie Canal Champion Cup trophy back home to Groveport.

The Mayor acknowledged what a successful day it was for the City of Groveport on Saturday, October 8th with the Apple Butter Day event. Mayor Westcamp personally thanked Community Affairs Director Patty Storts, the volunteers, the City of Groveport and the Groveport Heritage & Preservation Society. The event has come so far and has spread out about as nice as it can get. The event had great attendance with great weather. Patty Storts goes above and beyond with what she does for the event. Public Works and Parks & Facilities Maintenance crews all contribute to make it a great day for Groveport.

The Mayor reported he, along with Chief Portier and Captain Blevins, talked to approximately 13 or 14 students in the Positive Alternative Learning for Students (PALS) Program. The program is primarily for students who get into trouble at school causing them not to be ready for the mainstream because of those issues. The YMCA of Central Ohio's Positive Alternative Learning for Students Program and Truancy Program serves as a structured and supervised environment for 6th to 12th grade students who have been suspended from school. Mayor Westcamp publicly thanked Chief Portier for his contributions to this program.

B. Administrator - Marsha Hall

Administrator Marsha Hall was on vacation. Finance Director / Assistant Administrator Jeff Green wanted to make sure everyone received their budget packets. He and Administrator Marsha Hall wanted Council to have time to review the proposed budget before the next Committee of the Whole meeting. Mr. Green reminded everyone the meeting on October 17th will start at 5:30 p.m.

Mr. Green reported staff had its first training on the new City website. There was some misunderstanding on the Recreation Center website. The company had designed the Rec Center as a department header instead of a subsite. The Rec Center currently has a standalone website, with their own web address. There will be a little more design work involved to separate the Rec Center as a subsite. Staff is shooting

for December 1, 2016 as the launch date for the new website.

Mayor Westcamp commented Mr. Green is doing three jobs now, but he took care of a problem on Rohr Road yesterday. Mr. Green stated City Engineer Steve Farst had been contacted to look into the matter. The construction company doing the infrastructural work on the new building on Rohr Road apparently hit the City's sewer force main. The force main backed up and caused a pond to over flow the contents across Rohr Road. The contractor was contacted and informed Mr. Farst he could not do anything because he was back in Cincinnati. Mr. Farst told the contractor he had to do something. Public Works Superintendent Dennis Moore was contacted and he, Pat Wears and Dane Hudson shut off the force main and placed hay bales around the pond trying to contain the spill. The construction company was back first thing the next morning to get everything fixed.
